

Diversity and Inclusion Feedback Survey

1. Purpose

This survey is designed to collect feedback from staff, students, or stakeholders regarding how inclusive and supportive the Elan College's environment is. It helps identify strengths, gaps, and areas for continuous improvement in promoting cultural safety, equity, and inclusive practices.

2. Who Should Complete It

- All current staff and enrolled students.
- Can also be used with third parties or partners to assess inclusivity in delivery environments.
- Completion is voluntary and anonymous, unless stated otherwise.

3. How to Complete the Survey

Section	Instructions
Demographics (Optional)	Complete only if comfortable. These responses help track representation and support efforts for equity groups (e.g., First Nations, CALD, neurodiverse individuals).
General Experience	Rate the Elan College's overall environment, cultural safety, and personal comfort levels. Include examples if relevant.
Training and Awareness	Indicate whether you've received training and reflect on its quality and practical use.
Inclusive Practices	Share feedback on how well the Elan College supports different needs and how inclusive learning/work environments feel.
Suggestions for Improvement	Provide open-ended input to help the Elan College make informed changes to policy, physical environments, or service delivery.
Final Thoughts	Summarise your satisfaction and provide any final comments.

Diversity and Inclusion Feedback Survey

4. What Happens Next

- Surveys are collected by the Compliance or Student Support team;
- Responses are analysed for trends and fed into the **Continuous Improvement Register**;
- Confidential feedback may trigger a targeted review (e.g. of training delivery, facilities, or learner support mechanisms).

5. Staff Instructions (If Administering the Survey)

- Introduce the purpose clearly: this is about improving inclusivity, not performance evaluation;
- Assure confidentiality and clarify that participation is voluntary;
- Allow time and support (e.g., translated formats, support person) to complete;
- Collate responses securely and anonymise before analysis.
